OUR BUSINESS AREAS

Eight business areas. One point of contact.

Diagnostics. Procurement. Tailored solutions.

Notfalllabor.de

Diagnostic systems, POCT, tests and accessories. A product catalogue and shop for human and veterinary medicine.

VIOS PraxisOptimierung

Review supply requirements, compare purchasing terms and identify ways to optimise procurement costs.

VIOS Performance

Lactate and multiparameter systems, test strips and accessories for sports performance testing and training management.

VIOS Vet

Diagnostic solutions and compatible consumables for veterinary practices and clinics.

VIOS Selftesting

Medical self-tests and monitoring systems intended for use at home.

VIOS Mobility

Connections to mobility solutions. Specialist partners provide advice, quotations and ongoing support.

Corporate & Private Label

Fragrance and cosmetic products with your branding: pocket sprays, room fragrances, personal care and gift sets.

Sourcing & Procurement

International manufacturer and supplier sourcing for medical technology, diagnostics and consumables.
